The Commissioner of Fisheries Vijayawada in the reference read above has reported that the Departmental Promotion Committee has approved (23) names (14 posts regular promotion and 9 posts on promotion on adhoc basis in Multi Zone-I and (8) names (5 posts regular promotion and 3 posts on promotion on adhoc basis) in Multi Zone-II, for promotion to the post of Assistant Director of Fisheries on 20.3.2017.

2. The Commissioner of Fisheries Vijayawada further reported that the Departmental Promotion Committee has decided to address the Government for according permission to promote (9) Fisheries Development Officers as Asst. Directors of Fisheries on Adhoc basis in Multi Zone.I and (3) Fisheries Development Officers as Asst. Directors of Fisheries on Adhoc basis in Multi Zone.II, which posts are meant for Direct Recruitment, in view of requirement of service of Asst. Directors of Fisheries in the field for extension activities and implementation of various welfare schemes and monitoring of infrastructure works taken up with Government of A.P. and Government of India funding in 13 districts of AP State. The Government has very keen to achieve double digit inclusive growth from fisheries sector for economic empowerment of new state of Andhra Pradesh. Since the direct recruitment through APPSC will take more time and it results in hampering of work in the field and impact on the growth rate of fish and shrimp production and the Fisheries Sector in the State aims to achieve a production of 42 lakh tones with GVA of Rs. 80,000 crore by 2019-20. To fulfill the vision of AP, it is highly desirable to strengthen the field level extension net works by giving encouragement to field level officers with promotions.
